

Our PrepforSuccess Program

NO MUSS NO FUSS

Learning Advantage
Preparing for Success

En route
vers le succès

We know that schools are busy places.
That's why our **NO MUSS NO FUSS** plan is as easy as **ABCD**

- A. We deliver our PrepforSuccess information and order forms to your school, to be delivered one per family or one per student, as you choose.
You send them home to your school's parents (similar to Scholastic procedure).
- B. You simply collect the orders and mail them to us in the envelope we provide.
- C. Prep processes all orders, does the banking and labels all orders by teacher and student.
- D. The labeled books are delivered to your school for pick-up by students.

We even provide you with a second envelope which you can use for any orders that come in late.

NO MUSS, NO FUSS.
